

"THE MAN"

By: James Russell Orr (Copyright 2006 Library of Congress #PAuX-XXX-XXX)

Salvation is found in no one else, for there is no other name under heaven given to men by which we must be saved. Acts 4:12 (NIV)

Verse 1

Living in a dream...
He creates illusions in his mind; he's the chairman of the board
Fabricating schemes...
Delegating is a breeze with the power that he hoards
When they look into his eyes; a brilliant man is scrutinized
Leader of the team...
He thinks he's "Mr. Wonderful;" the greatest in the world

Verse 2

But I know another man...
There's no other just like Him; He's from a special mold
He has a different plan...
The Lamb of God, the sacrifice that the prophets have foretold
It's not about what He can gain; serving others is His game
Join his caravan...
Living life to serve and die then heaven to behold

Bridge

Can you (I 2nd time) create with the spoken word?
Can you (I 2nd time) take on the sin of the world?
No, no, no, no; you're (I'm 2nd time) not "the man"
Can you (I 2nd time) walk on water and not get wet?
Can you (I 2nd time) rise up from the dead?
No, no, no, no; you're (I'm 2nd time) not "the man"

Chorus

You (I 2nd time/We 3rd time) need to know you're (I'm 2nd time/We're 3rd time) not "the man"
There is a different way of life, but it's not under the spotlight
You (I 2nd time/We 3rd time) need to know you're (I'm 2nd time/We're 3rd time) not "the man"
Jesus is the Christ; He shed His blood and paid the price
You (I 2nd time/We 3rd time) need to know you're (I'm 2nd time/We're 3rd time) not "the man"
Salvation with new birth, and living by the Word
You (I 2nd time/We 3rd time) need to know you're (I'm 2nd time/We're 3rd time) not "the man"
You (I 2nd time/We 3rd time) need to know that you're (I'm 2nd time/We're 3rd time) not "the man"

Verse 3

What I need to do...
Is tell him all about "the man" so he doesn't live in vain
But I don't have a clue...
How to muster up the strength to try and my judging is insane!
Jesus loves both him and me; why is that so hard to see?
It's time for my breakthrough...
I need to share the gospel, but I feel so ashamed
