(verse 1)

You could disappear...tomorrow,
Illusions of pain and sorrow...

But you'll still be here
I feel you root to crown,
Connected to me
Thru sacred light and sound.

(verse 2)

I could disappear...tomorrow,
Illusions of pain and sorrow...

But I'll still be here
You feel me in your heart,
Connected to you
Love is where we start...

(chorus 1)

Connected...
Yeah.....Oh...
Connected to you
Connected to me, too..

(verse 3)

You could run away...tomorrow,
Illusions of pain and sorrow...

But you'll still be here
I feel you root to crown,
Connected to me
Thru sacred light and sound.

(verse 4)

I could pull away...tomorrow,
Illusions of pain and sorrow...

But I'll still be here
You feel me in your heart,
Connected to you
Love is where we start...

(chorus 2)

Connected...
Yeah.....Oh...
Connected to you
Connected to me, too.

(ending)

Love is where we start...
Ah (all) ...Connected.
