FAQ: FREQUENTLY ASKED QUESTIONS

Q: WHAT IS THE PROCESS FOR COMMISSIONING WORK?

- The first step is to contact me by email or DM and provide me with your project information:
 1. the project type (what is it?)
 2. the purpose or occasion
 3. the rough size and quantity for your project
 4. the date you will need your project
- If you have text or copy for your project, please include that as well (rather than telling me how many words).
- Next, please let me know if you have an idea about the design or style you want. If you don't know about the design yet or even the exact words, no worries! I am a good listener, have spent years studying design, and I can offer suggestions to fit your needs.
- After we reach an agreement on your project with a signed contract including all the details, I will begin work. If we agree to an initial design proposal, you will either approve or we will refine, and when you are satisfied, the final artwork will be created.
(Please note that for most projects, the first design revision is complimentary, with additional revisions requiring additional fees.)
- Once I have completed your handmade original artwork or design in the agree-to timeline, your order will be delivered.

Q: WHERE CAN I GET INSPIRATION?

A: Please feel free to check out my website, Instagram or Pinterest page for inspiration and ideas.

Q: WHEN SHOULD I BOOK?

A: The timeline for each project is different and depends on the size of the order as well as length of negotiation to complete a signed contract, so it is best to contact me ASAP prior to your deadline. I will do my best to accommodate rush orders with an additional fee, in addition to expedited shipping cost if not a local or digital order.

Q: WHAT ABOUT LICENSING?

As the artist, I remain the sole owner of all artistic and design copyrights. Commissioned art is for personal use only and not intended for resale. However, commercial licensing or buyouts are available for my work and I invite you to contact me if you are interested.

Q: DIDN'T SEE WHAT YOU WERE LOOKING FOR HERE?

Let me know by email or direct message. I will be delighted to get back to you ASAP!
